

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

HISTORICAL SKETCH.

Pursuant to a call made on the 26th of November, 1863, through the Daily Gate City, the first meeting with reference to the establishment of this Association, was held in the Court House, at Keokuk, on the 28th of November, 1863. It was organized by calling the Rev. W. G. Craig to the chair, and appointing Geo. C. Thompson, Secretary.

The object of the meeting was stated to be, "To establish a Library and Reading Room, and promote by means of Lectures and otherwise, the diffusion of useful knowledge." Various plans for the formation of the Association were suggested, and it was resolved that a committee of six be appointed to canvass the city for stockholders at ten dollars a share, and to call a meeting of the stockholders as soon as five hundred dollars of the stock had been taken. Thereupon the following committee was appointed: Geo. C. Thompson, Wm. Fulton, Hamden Buel, Adam Hagny, Andrew J. Wilkinson and M. W. Westcott.

On the 3d of December the committee called a meeting of the stockholders and other citizens at the Court House. Said meeting was organized by calling the Rev. Geo. Thacher to the chair, and appointing Geo. C. Thompson, Secretary. On motion, Hon. Geo. W. McCrary, Chairman, Surgeon M. K. Taylor, Thos. Fletcher, Adam Hagny, Geo. C. Thompson and O. Kiser were appointed a committee to prepare a Constitution.

To an adjourned meeting held the 7th of December, at which the Rev. Jas. Brown acted as President, and Geo. C. Thompson, as Secretary, the Constitution, together with Articles of Incorporation, were reported and adopted, and the Secretary was requested to file the Articles of Incorporation.

At an adjourned meeting held Dec. 10th, Col. Wm. Thompson was called to the chair, and Geo. C. Thompson, acted as Secretary. An election of officers was held which resulted in the following choice:

A. J. Wilkinson, President; Geo. W. McCrary, Vice-President; Geo. C. Thompson, Recording Secretary; Howard Tucker, Treasurer.

Directors—A. Hagny, Wm. Fulton, Robt. F. Bower, P. Gibbons, Rev. Geo. Thacher and J. Lothrop Rice.

Articles of Incorporation, under a general law of the State of Iowa, were recorded December 10th, 1863, and the above named officers and directors were the Incorporators.

The first meeting of the Board of Directors was held December 14th, at that time the following appointments were made:

Corresponding Secretary—J. L. Rice.

Library Committee—Surgeon M. K. Taylor, Chairman; R. F. Bower, J. Henry Westcott, T. Fletcher and L. J. Adams.

Committee for procuring and fitting up a Hall—Rev. Geo. Thacher, J. L. Rice and A. J. Wilkinson.

Committee to Solicit Donations of Books, &c.—A. J. Wilkinson, S. E. Carey, H. Tucker, M. W. Westcott, E. F. Brownell and R. B. Ogden.

J. L. Rice, A. Hagny and Geo. C. Thompson, were appointed a Committee to prepare By-Laws, which were adopted April 4th, 1864.

Adjourned meetings were also held Dec. 17th and 19th, with a view to

amend and modify the Constitution. According to the plan then adopted, the following were the terms of membership: The payment of \$10 constituted a Stockholder. On this was levied an annual tax of Two Dollars, the payment of which gave the privileges of the Library and Reading Room, and one vote at the annual election for officers.

The payment of \$50 constituted a Life Membership. This gave the right of the Library and Reading Room, and one vote; but they were absolved from the payment of annual dues.

The payment of \$3 per annum, or \$1 for three months, constituted a Subscriber. They were privileged the use of the Library and Reading Room, but had no vote.

The revenue from the above sources, together with fines, proceeds of Lectures and contributions, were the means relied on to support the Association.

It was not without many misgivings that the Board of Directors assumed the management of the affairs of the Association, at a time when the country was largely taxed in putting down the greatest rebellion known in the history of the world. Many of our citizens were suspicious of any new project, especially one of this kind: at least two attempts having been made, in former years, to establish similar institutions in this city, and which proved signal failures. Owing to the peculiar state of the times, the price of books, like everything else, had considerably advanced, many publications were out of print, and the publication of Catalogues was suspended owing to the fluctuation of prices. This delayed the opening of the Library for a longer period than was expected, and but little was done, up to the first annual meeting of the stockholders, except ordering books, and fitting up the Hall.

At the first annual meeting of the stockholders held in the Court House, at Keokuk, the 2d of May, 1864, the old Board of Officers and Directors were unanimously re-elected. The new Board held their first meeting in the Library Hall, on the 3d of May, when the following appointments were made:

Corresponding Secretary—J. L. Rice.

Library Committee—Surgeon M. K. Taylor, Chairman; R. F. Bower, J. H. Westcott, Thos. Fletcher and John H. Craig.

Lecture Committee—J. L. Rice, Chairman, Geo. C. Thompson, and Wm. Fulton.

The second annual meeting of the Stockholders was held in the Court House, the 1st of May, 1865, when the following officers were elected for the ensuing year:

A. J. Wilkinson, President; R. F. Bower, Vice-President; J. L. Rice, Recording Secretary; H. Tucker, Treasurer.

Directors—G. W. McCrary, J. H. Craig, Wm. Fulton, W. W. Jamieson, J. H. Westcott, and Surgeon M. K. Taylor.

The new Board held their first meeting in the Library Hall, the 2d of May, 1865, at which the following appointments were made:

Corresponding Secretary—J. H. Craig.

Library Committee—R. F. Bower, Chairman; Surgeon M. K. Taylor, J. H. Westcott, R. B. Ogden and M. W. Westcott.

Lecture Committee—J. H. Craig, Chairman; J. L. Rice and W. W. Jamieson.

Committee of Arts, Minerals and Relics—Surgeon M. K. Taylor, Chairman; Dr. D. L. McGugin, Prof. E. J. Gillette, D.D., C. A. Kellogg, and Judge R. P. Lowe.

The third annual meeting of the stockholders was held in the Court House the 7th of May, 1866, when the following officers were elected for the ensuing year.

R. F. Bower, President; G. W. McCrary, Vice-President; J. H. Westcott, Recording Secretary; Wm. Fulton, Treasurer.

Directors—H. Tucker, Chas. P. Birge, S. E. Carey, J. L. Rice, J. H. J. H. Craig and Hamlden Buel.

An adjourned meeting of the new Board was held on the 14th of May, at which the following committees were elected:

Corresponding Secretary—J. H. Craig.

Library Committee—Chas. P. Birge, Chairman; J. L. Rice, J. H. Westcott, W. W. Jamieson and Surgeon M. K. Taylor.

Lecture Committee—J. H. Craig, Chairman; H. Tucker, Geo. W. McCrary, Staunton Cady and Wm. A. Brownell.

Committee on Arts, Minerals and Relics—R. F. Bower, Chairman; S. E. Carey, Howard Tucker, Surgeon M. K. Taylor, and Judge Ralph P. Lowe.

Auditors—S. E. Carey and Hamlden Buel.

The Library was first opened for the delivery of books on the first of June, 1864, in the hall over Younker & Bro.'s store, the south side of Main between 3d and 4th streets. Said hall was 39 feet long and 20 feet wide, and was rented for \$75 per annum.

At that time we numbered 4 life members and 181 stockholders. We had also 2479 volumes of books, 20 pamphlets, 6 engravings, and 2 maps. The ladies of the Episcopal, Westminister, First Presbyterian and United Presbyterian churches of our city, presented us with cocoa matting for our floor, which cost \$110.53. The fixtures cost \$394.41. The total value of our Library, when first opened, including books, fixtures, &c., was estimated at \$5,000. At the second annual meeting of the stockholders (May 1, 1865), we numbered 11 life members, 196 stockholders and 153 subscribers; also, 3,500 volumes of books, 200 pamphlets and magazines, 4 plaster busts, 6 engravings, and 2 maps, together with a large collection of minerals, fossils and curiosities, estimated, with the fixtures, to be worth \$7,000.

From the rapid increase of our Library and readers, it became apparent that the room we then occupied was too small for our Library, and that there was a strong desire to have it opened daily. At the first meeting of the third Board of Directors (May 2, 1865), R. F. Bower, Surgeon M. K. Taylor, and A. J. Wilkinson were appointed a committee to procure another hall. They leased the second story over Messrs. Geo. C. Anderson Co's bank (adjoining the old hall), for five years, at an annual rent of \$240. Said hall is 79 feet long and 25 feet wide, with windows at both ends. The great interest manifested in the Library induced the Directors, at their meeting on the 25th of May, to appoint a committee to solicit further subscriptions and donations with which to fit up and furnish the new hall and purchase additional books. Messrs. R. F. Bower, Geo. W. McCrary and A. J. Wilkinson were appointed a committee for that purpose. They succeeded much better than was anticipated, and obtained subscriptions to the amount of \$2,311.55. For the purpose of removing and arranging the books, the Library was closed on the 5th of August, and re-opened on the evening of the 25th of September last. A festival, consisting of refreshments contributed by our citizens, was gotten up for the occasion by Mrs. R. F. Bower, Mrs. Howard Tucker, Mrs. W. N. Sturges, and other ladies. A small entrance fee was charged each visitor, and we realized from the same \$141.40.

The cost of fitting up the hall, including furniture, was \$874.04. This with the amount previously expended on the old hall, makes the total cost of the new hall \$1,379.03, which includes book cases, furniture, fixtures, printing, &c.

Our books are contained in thirty book cases, each 8 feet high and 3 feet wide, with 8 shelves and protected by glass doors. They are made on the Smithsonian plan, in two compartments, and can be easily taken apart and carried out with their contents, in the event of fire. They are made of white pine and handsomely grained in imitation of oak, to match our other furniture. Each book has printed rules and regulations on the inside cover, and printed numbers on the back.

Our Reading Room has two large oval tables and two reading desks, which make it very attractive. There are now regularly received and placed on file 15 Magazines and 40 Newspapers; for a list of which see page 89.

The following papers are kindly sent us gratuitously by their publishers: Keokuk Daily Gate City, Keokuk Daily Constitution, Ft. Madison Weekly Plaindealer, Bentonsport Weekly Signal, St. Joseph (Mo.) Daily Herald, Pittsburg (Pa.) Daily Gazette, New York Weekly Independent, Chicago Weekly Journal, Chicago Daily Republican, Chicago Weekly American Churchman, Philadelphia Weekly Presbyterian, and the New York Weekly Round Table.

The following persons send us these papers: S. W. Tucker, Esq., the New York Weekly Iron Age; A. J. Ralston, Esq., the San Francisco Steamers Bulletin; Rev. R. Hassall, the Boston Liberator, and the Rev. E. H. Waring, the New York Weekly Methodist.

Our late worthy President, Andrew J. Wilkinson, has, with a noble and praiseworthy generosity, placed two large reading desks in our Reading Room, and furnished the same gratuitously with twelve newspapers, of which five are dailies, four are tri-weeklies and three are weeklies. He has also presented us with a very handsome walnut case, for the preservation and display of our coins, specimens and other valuable articles; and, in addition, he has placed us under many and frequent obligations for his very liberal and valuable donations, among which are three engravings framed ("Trial of Effie Deans," "Falstaff Drilling his Recruits," and "Shakespeare and his Friends,"), three plaster busts (Shakespeare, Byron and Scott), Appleton's American Cyclopaedia, in 16 vols., bound in sheep, and 25 volumes of books, besides pamphlets, coins, &c. As an appreciation of his commendable zeal and liberality, the Board of Directors are having his portrait taken to be placed in the Library.

The Hon. Jas. F. Wilson, M. C. from Iowa, deserves special notice and thanks for his very frequent and valuable donations of congressional and public documents; and we earnestly hope and request that all public officers, and especially members of Congress, will imitate his example. In this connection, we would state that the Hon. Jas. M. Love, U. S. Dist. Judge for Iowa, presented us with 161 vols. of valuable public documents, in appreciation of which the Association presented him with a Life Membership.

The thanks of the Association are due to the following persons for their donations: Mrs. Hugh T. Reid, Sir Walter Scott's complete works, 10 vols.; Chas. T. Keidaisch, fine copy Wm. Hogarth's Ill. Wyman, Mrs. DeWitt Ford, Beverly B. Bower, Rev. Chas. Williams, Robert Maxwell, Geo. A. Wells, John Bawden, Thos. Fletcher, Harry Fulton, and Geo. C. Anderson, for Books, Pamphlets, Magazines, Papers and other articles; to J. W. Delaplain, for a file of the Sunbeam, and Edward Kilbourne, \$200 Confederate money.

We now number altogether 5012 volumes of Books, Pamphlets and Magazines. Of these 3489 volumes were bought, at an expense of \$3,671 65, and 1523 volumes were donated by the friends of the Association. We have also 15 Engravings and Drawings, viz: Trial of Effie Deans; Falstaff Drilling his Recruits; Shakspeare and his Friends; Village Blacksmith; Washington; Edward Everett; Presentation of the Magna Charta; Andrew Jackson, and also a colored Lithograph of

"Peale's Court of Death;" colored Photograph of "Keokuk;" Drawing of the Mormon Temple; a plan of Keokuk, showing the original drawers of the Half Breed Tract; Secession Ordinance of South Carolina; two old Newspapers, (all framed); four Maps: viz: Otley & Stripe's Map of Keokuk, 1857; Washington Map of the United States, 1863; Lewis' Map of the United States, 1819; official Map of Sherman's March; Middleton's Oil Portrait of Gen'l Grant, framed; six Plaster Busts; viz: Shakspeare; Lord Byron; Sir Walter Scott; Hon. Ralph P. Lowe, and two of Prest. Abraham Lincoln; and a Statuette of Terpsichore. The value of the same, including furniture, fixtures, &c., we estimate at \$10,000, on which we have an insurance of \$6,000. We also number 14 Life Members, 290 Stockholders and 102 Subscribers.

Our Library was opened from its commencement until it was closed, on the 5th of August last, every Monday, Wednesday and Saturday, from 2 until 10 o'clock P. M. Since it was re-opened in our new Hall, it has been opened daily, during the same hours.

Our first Librarian was Mr. Otto Lyman, who served till Oct., 1st 1864, when he resigned, and was succeeded by Mr. Andrew Lefever. He continued until April 14th, 1865, when he resigned, and was succeeded by Miss Ellen J. Martin, our present incumbent.

The Librarian's salary from the commencement until the 1st of Aug. last, was at the rate of \$100, and since then it has been at the rate of \$240 per annum.

The Library is now beginning to be appreciated, and the number of its visitors attest its popularity. In June, 1864, the first month the Library was opened, there were drawn 77 volumes, and in April, 1865, the last month of the first year, 731 volumes. In May, 1865, the first month of the second year, there were drawn 621 volumes; during the month of September, following, when our Library was re-opened in the new Hall, 154 volumes, and during April, (1865,) the last month of said year, 308 volumes. During May, (1866), the first month of the third year, there were drawn 710 volumes, and there are now out, at the date of this publication, 253 volumes. This is very gratifying, and we would further state that the taste for Reading has very much improved, and the demand now is for a better class of books.

Our Lectures, so far, have not resulted as well as was anticipated, but it is hoped that the next season will prove more successful. We have cleared to date, free of all expenses, about \$250. The following is a list of those who have Lectured for us, together with their subjects:

The first season, 1864-5, Mortimer Thompson, (Doesticks) "Cheek"; Rev. R. S. Foster, D.D., "Progress of Reform"; Rev. John S. C. Abbott, "France and her Emperors"; and Prof. A. J. Upson, (of Hamilton College, N. Y.), "Glory and Shame of Actors and Actresses".

The second season, 1865-6, Bayard Taylor, "Russia and the Russians"; Dr. E. A. Duncan, "Sherman's Campaigns"; Wm. Leighton, Esq., "Genius and Poetry of Burns"; Surgeon M. K. Taylor, "Storms of this Latitude"; John G. Saxe, Esq., (2 Lectures) "Yankee Land" and "Love"; Capt. J. M. Reid, "Sherman's March to the Sea"; Benj. F. Taylor, Esq., (Ed. Chicago Journal), "English Words: their Use, Abuse and Beauty", and Miss Anna E. Dickinson, "The Assassination and the Suicide".

We wish to make our Association more valuable and interesting by giving it a Historical character and making it a depository for specimens of Mineralogy, Geology and Natural History—old rare and valuable Books, Pamphlets, Magazines, Papers, Manuscripts, Maps, Engravings.

Paintings, Busts, Coins, Curiosities, Relics, &c., but more particularly of things relating to the early History of our country, the late civil war, and matters immediately affecting the industrial interests of the State. Many articles have been already donated, and others left with us, which make our Hall very attractive.

Our income having been found inadequate to meet our increased and growing expenses, and as the fee to stockholders and subscribers was less than that charged by most of the Libraries in the United States, our Constitution was amended at the last annual meeting of the stockholders, (May 7, 1866) and the annual dues and subscriptions were increased. The annual dues to stockholders now is \$3, and subscribers pay \$4 per annum, or \$1 25 for three months. For an amended copy of the Constitution and By-Laws see pages 90 and 93. It is thought that our income this year will pay all of our current expenses, magazines and papers, enable us to do some binding and purchase the best of the current literature of the day.

A. J. Wilkinson, R. F. Bower and J. Henry Westcott were appointed a committee to publish a Catalogue, and R. F. Bower was appointed to write a Historical Sketch for the same. To J. Henry Westcott the preparation of this Catalogue is principally due. He classified and arranged the same, and but for his unremitting exertions it would have been impossible at present to have published it. As a testimonial of their appreciation of his services, the Association voted him a Life Membership.

This Catalogue does not aim at perfection, it being intended merely to assist in selecting Books. Having been prepared hurriedly by persons engaged in the active duties of life, the kind indulgence of the reader is asked for any typographical or other errors that may be observed. It is hoped that when the requirements of the Library demand another Catalogue, we may be able to offer one more finished and complete.

In conclusion we have only to add that our Library is a complete success, far beyond the anticipations of its most sanguine friends. It is an institution that our citizens all feel proud of. May we indulge the hope that the same liberality and interest which have already been manifested towards the Association by its friends, will be continued.

KEOKUK, June 1st, 1866.

CONSTITUTION.

PREAMBLE.

The subscribers, citizens of Keokuk, desirous of establishing a Library and Reading Room, and promoting by means of Lectures and otherwise the diffusion of useful knowledge, have associated ourselves for the purpose herein named, under the laws of the State of Iowa, incorporating such Associations, and do adopt for our government the following Constitution :

ARTICLE I.

This Association shall be called the "KEOKUK LIBRARY ASSOCIATION."

ARTICLE II.

The capital stock of this Association shall be ten thousand dollars, divided into one thousand shares of ten dollars each, and may be increased by a vote of the stockholders at any time. The corporation may organize and commence business when one hundred and fifty shares of stock are subscribed.

ARTICLE III.

SECTION 1. Any person may become a member of this Association by the purchase or transfer of stock, and by subscribing his name to the Constitution.

SEC. 2. Every member or stockholder shall pay in advance to the Treasurer of the Association, an annual tax of three dollars for each fiscal year, commencing on the first day of May, in each year. This entitles him to as many votes as he holds shares of stock, providing it does not exceed five votes ; and also gives him the privilege of drawing books on one share of stock, but the non-payment of his annual tax forfeits his right to vote and the use of the Library until such payment is made.

SEC. 3. Any person may become a Life Member of the Association by the payment of fifty dollars and by subscribing his name to the Constitution ; and such Life Members shall be entitled to one vote and be exempt from the annual tax, but he can only draw books as on one share of stock.

SEC. 4. Stockholders and Life Members only can vote, but in no case shall votes by proxy be admitted. They shall also be entitled to draw books on each other share of stock they may own, upon the payment of an annual tax of three dollars on each share.

SEC. 5. It shall be lawful for the Board of Directors to recommend for Life Membership any person who has rendered valuable services to the Association, or who has made to it valuable contributions, and such recommendation shall be laid before the next meeting of the Association, and a majority of the stockholders present at such meeting may by vote confer life membership, with all its privileges, upon the person so recommended.

ARTICLE IV.

SEC. 1. The officers of this Association shall be a President, Vice-Pres-

ident, Recording Secretary, Treasurer and six Directors, together constituting a Board of Directors.

SEC. 2. The officers of the Association shall be chosen annually by ballot—the President, Vice-President, Recording Secretary and Treasurer by separate ballot, the other Directors by general ticket, a majority of all the votes given being necessary to a choice.

REMARKS.

THE foregoing Catalogue was completed in July last, but as it was then evident that we should soon have large additions to our Library, when the Catalogue would be incomplete and useless, it was decided not to issue it until the new Books were received and added to the same as an Addenda. The unavoidable difficulties attending purchasing, arranging and numbering the Books delayed us very much, and the persons engaged on the Catalogue have been so occupied that they were unable to prepare it sooner. In re-arranging the Books it was found necessary to change some of the numbers (see errata, page 164), which accounts for any discrepancies that may be noticed. We ask the kind indulgence of our readers for all typographical or other errors that may be observed.

We would call the particular attention of our members to the condition of our Books and Papers. They are very much worn, and some of them are badly damaged. Many have their backs off, while others have their leaves and print out, or are otherwise mutilated, and quite a number are missing. This, considering the short existence of our Library, is surprising and absolutely disgraceful. At the rate we have been going on our Library will soon be destroyed. Our rules and regulations are in the front of each Book and posted on the walls, and in future we shall rigidly enforce them.

As the Library is getting to be a favorite resort now, and members visit there more frequently than formerly for the purpose of reading the Magazines and Papers, it is most earnestly and respectfully requested that a proper decorum shall be observed. It is suggested that gentlemen take off their hats while in the Hall, and avoid smoking or placing their feet on the chairs—also that all members refrain from loud or boisterous talking and laughing, or singing.

The Directors feel much gratified with the success and prospect of the Library. It is regarded as the institution of our city, and its crowded Hall attests its popularity. Visitors express their astonishment that we have so fine a Library, and its praises are far and wide. Our sister towns point (with commendable jealousy) to us, and have been impelled to follow our example, and even have sent committees to examine our plans and organization. Is not this something to be proud of, and will it not induce our citizens to take further and greater interest in our welfare?

As our means increase we shall purchase additional Books and Papers. Let our friends bear it in mind too, that when they have any-

thing rare or valuable, such as Books, Papers, Magazines, Maps, Coins, Engravings, Curiosities, or works of Art or *virtu*, &c., to be sure and send it to us. This will not only largely increase the attractions of our Library, but add very much to its value and importance.

We cannot permit this opportunity to pass without returning our thanks to the Publishers of this Catalogue, and particularly to Messrs. Geo. Smith and Henry W. Clendenin, the compositors, who, by their patience and courtesy, have greatly aided us in our undertaking.

The expense of getting up this Catalogue is much greater than we expected, but we hope that our friends will not allow this limited edition to remain long on our hands on account of the price.

Keokuk, June 1st, 1866.
